A minimum of 12 of the 15 credits must be earned from FAU, including the core courses.

Minor in Economics for Business Majors

The Economics minor is designed for non-Economics Business majors requiring the Business core courses. Because part of its requirements include successful completion of the business core classes, the minor is usually not practical for Health Administration majors.

The Economics minor requires three upper-division economics courses (3000 level or above, excluding ECO 3003) with a grade of "C" or better.
