Casino and Gaming Management Certificate (CSNO)

The undergraduate certificate in Casino and Gaming Management provides a curriculum including key subject areas deemed relevant and vital to success in the casino and gaming industry. These competencies span across food and beverage, marketing, casino operations, and hotel/resort management. The casino and gaming industry employs hundreds of thousands in the US including over 10,000 in South Florida.

Students must complete 15 credits from the courses below. **The certificate in Casino and Gaming Management is open to both degree-seeking and non-degree-seeking students.** All courses must be completed with a minimum grade of "C." Courses may have prerequisites, corequisites or other requirements. **Non-degree-seeking students need program director approval prior to enrollment in all courses.**

The certificate is particularly valuable for FAU degree-seeking students outside the College of Business *and* to community members, hospitality industry professionals and seasonal residents. For further information, please reach out to the Hospitality and Tourism Management **Program Director**, Dr. Peter Ricci at peter.ricci@fau.edu

After completion of *all* courses with a grade of "C" or higher, students may then request their certificate from the Student Academic Services Office (academic advising) located in the FAU College of Business, Boca Raton campus, Fleming West Building, Room 102, 561-297-3688.

Timely Graduation for Undergraduate Students:

All Students must understand that credits earned beyond 120 credit hours (those hours required for an undergraduate degree) may be subject to the Excess Hours Surcharge mandated by the State of Florida. The addition of a minor or additional course to their academic portfolio may sound appealing, but it also might result in considerable additional expense and a delay in degree completion.
