Master of Science in Information Technology and Management
Graduate Degree Program

Why Choose the MSITM Program?

- All companies large and small rely on Information Technology (IT) to be more productive, efficient, and competitive.
- Highly competent IT professionals who can create, maintain, & manage information technology resources & infrastructures are essential to sustain this economic evolution.
- MSITM graduates have the knowledge and skills to meet such high demand and become IT leaders.

M.S. in IT & Management (MSITM)

ADMISSION CRITERIA

- Undergraduate GPA of 3.0 from a regionally/nationally accredited college/university.
- GRE or GMAT is required. There are no minimum sub-score requirements but the admission process is competitive.
  - The GRE & GMAT requirement is waived for any student with a baccalaureate degree from FAU’s ITOM Dept. with a GPA of at least 3.25 in the last 60 credits.
- One to two page statement of your objectives.
- For International students, both a course by course evaluation of your international transcripts from a NACES member as well as TOEFL scores are required of applicants who attended a non-English speaking institution for their baccalaureate degree and whose native language is not English.
