Why Choose the MSSCM Program?

- Today's businesses need individuals who understand how to successfully manage the process of sourcing, operations, and distribution in a global supply chain network.
- This 30-credit program provides students with the foundations and principles of Supply Chain Management, Operations Management, Procurement and Sourcing, International Shipping and Global Trade integrated with the knowledge of Business Analytics demanded by employers locally, statewide, nationally, and internationally.

M.S. in Supply Chain Management (MSSCM)

ADMISSION CRITERIA

- A bachelor's degree in any discipline. No business prerequisites are required;
- A GPA approximately 3.0 or higher over the last 60 undergraduate credits;
- Two or more years of non-industry-specific professional work experience;
- A combined score (verbal + quantitative) of at least 295 on the GRE or a GMAT score of 500 or higher. GRE scores more than five years old are normally not acceptable;
  - Note: GRE/GMAT currently waived through Fall 2022
- International students from non-English-speaking countries must be proficient in written and spoken English as evidenced by a score of at least 500 (paper-based test) or 213 (computer-based test) or 79 (internet-based test) on the Test of English as a Foreign Language (TOEFL) or a score of at least 6.0 on the International English Language Testing Systems (IELTS); and
- Students must meet other requirements of the FAU Graduate College.
