A maximum of 3 credits used for the minor may count toward other Business major requirements. A minimum of two courses (6 credits) must be exclusive to the minor. For exceptions, a petition should be submitted to the ITOM Department Chair. At least two of the three courses (6 credits) for the minor must be taken in residence at FAU. The acknowledgment of the minor is official upon successful completion of a College of Business degree program.

Timely Graduation for Undergraduate Students:

All Students must understand that credits earned in excess of those hours required for the degree may be subject to the Excess Hours Surcharge mandated by the State of Florida. The addition of a minor or additional course to their academic portfolio may sound appealing, but it also might result in considerable additional expense and a delay in degree completion.
