

**Entrepreneurship Minor / ENT**  
(printed from [www.business.fau.edu/advising](http://www.business.fau.edu/advising))

The Entrepreneurship minor is designed for non-Management Business majors. Completion of the Business core courses is required for this minor in addition to the three courses indicated below, all of which must be completed with a grade of "C" or better.

**Required Courses (in addition to the business core):**

Entrepreneurship	ENT 4024 (Pre: 60hrs)
Advanced Business Planning	ENT 4114 (Pre: 60hrs and ENT 4024)
Intellectual Property Law	BUL 4514

A maximum of 3 credits used for the Entrepreneurship minor may count toward other Business major requirements. A minimum of two courses (6 credits) must be exclusive to the minor. At least two of the courses above (6 credits) must be taken in residence at FAU. The acknowledgement of the minor is official upon successful completion of a College of Business degree program.

**Timely Graduation for Undergraduate Students:**

All Students must understand that credits earned in excess of those hours required for the degree may be subject to the Excess Hours Surcharge mandated by the State of Florida. The addition of a minor or additional course to their academic portfolio may sound appealing, but it also might result in considerable additional expense and a delay in degree completion.
