*Note: Students with undergraduate academic business credits in Accounting, Finance, Qualitative Methods, and Marketing within the past five years may request to waive each individual course. If ACG 6027 is waived students should take ACG 6315.

Electives (12 credits)

Students select 12 credits of additional graduate business coursework of their choice for an interdisciplinary MBA. Coursework outside of the college of business may be considered via petition. Students may also elect to complete a track specializing in a particular academic area. Specialization courses can be substituted for the business electives. Only 3 credits of international field experience may apply to the MBA.
