

FLEXIBLE MBA CURRICULUM - ACCOUNTING TRACK

Computer literacy is assumed

(a) These are in addition to the 40 credits required for the MBA. They may be waived if equivalent undergraduate courses (in parentheses) have been taken.

Once admitted to the program, the foundation courses must be taken as outlined above.

(b) GEB 6215 should be taken in your first semester unless taking only Foundation coursework. Must be taken prior to or concurrent with all ACG 6000 level courses, MAN 6937, FIN 6806, and MAR 6815.

(c) Students will either take this listed course or will substitute with a 6000-level ACG/TAX elective depending on the academic accounting background. The final decision rests with the College and Department. Consult an advisor.

(d) Students who have had an undergraduate Operations Management class may substitute MAN 6525, MAN 6581 or MAN 6596 for MAN 6501.

(e) May be taken at any time (if prerequisites have been met).

(f) MAN 6721 is the capstone course and should be taken in your last semester. MAN 6721 has prerequisites of ACG 6347, FIN 6806, MAN 6937, and MAR 6815, or their equivalents.

(g) Must be completed in the first Fall and Spring semester enrollment.

(h) If your undergraduate major was Finance, you may substitute an alternative 6000-level Finance course for FIN 6806.

(i) If your undergraduate major was Marketing, you may substitute an alternative 6000-level Marketing course for MAR 6815.

(j) A letter grade of a "B" or higher is required in all Accounting Specialization courses.
