

Traditional MHA Program

The following information is intended as general overview of the Traditional MHA program at FAU. All students are encouraged to meet with an academic advisor before registration every term for guidance.

Required Courses

The degree requires 30 to 31 credit hours. See the catalog for detailed requirements.

Foundation Courses

The following courses are in addition to the 30 to 31 credits required for the MHA. These courses can be waived with earned equivalent undergraduate credits. Students without an undergraduate business background should prioritize these courses as they are pre-requisites to some core requirements.
