TRANSFORM  
HEALTHCARE  
WITH AN  
EXECUTIVE MHA

EXECUTIVE MASTER OF  
**HEALTH ADMINISTRATION**

# ADVANCE YOUR HEALTHCARE CAREER WITH AN EXECUTIVE MHA

**Florida Atlantic University's Executive Master of Health Administration (EMHA)** degree is designed specifically for working professionals, who are interested in progressing in Healthcare Organizational areas such as:

- ❑ Leadership and Management
- ❑ Technology Management
- ❑ Operations and Process Improvement
- ❑ Policy Development and Reform

As the healthcare industry evolves, there is a need for highly qualified administrators, who understand how to be effective in their ability to strategically solve and respond to new and on-going challenges.

Learn from faculty members who are accomplished healthcare-industry professionals with extensive experience in the field. They bring real-world knowledge and expertise to the classroom, providing students with practical insights into the complex issues healthcare organizations are facing today.

## EMHA PROGRAM BENEFITS

**AACSB  
ACCREDITED**

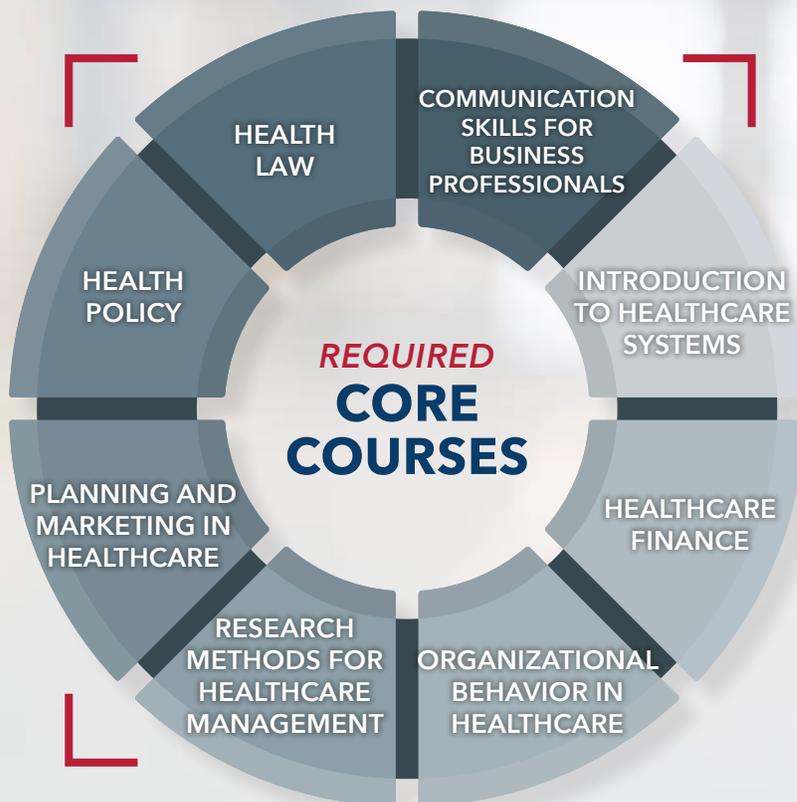

## WHY ACCREDITATION MATTERS

The FAU College of Business is proud to be an accredited member of AACSB International - The Association to Advance Collegiate Schools of Business, the hallmark of excellence in management education.

Less than 5 percent of the world's business schools are accredited by the AACSB. This ensures your degree will hold value and be recognized in any region of the world.

# BIGGER THAN THE CLASSROOM

Situated strategically in proximity to prominent hospital systems and local healthcare organizations, FAU's MHA program plays a pivotal role as a key educational partner in the cultivation of healthcare professionals.

## CURRICULUM

Comprised of 30 total credits / 10 courses:  
**24 core credits and 6 elective credits**

### ELECTIVE COURSES (2 CLASSES)
