Regulation 2.003 Standards of Student Progress

(1) Florida Atlantic University (FAU) standards of student progress are defined in the official University Catalog. The catalog year determines the set of academic requirements that must be fulfilled for graduation. A student continuously enrolled at FAU may be awarded a degree by satisfying the degree requirements defined in any catalog in effect during the period of continuous enrollment leading up to graduation. Students must follow a single catalog to meet graduation requirements, not a combination of catalogs.

(2) University Academic Policies as defined in the official University Catalog are hereby incorporated by reference and is available at http://www.fau.edu/registrar/universitycatalog/welcome.php.
