

International Business Program (BBA or BS)

The following information is a general overview of the program. Academic advising is recommended before registration each term. The BS degree requires an additional six hours of advanced math. Note for **Second Bachelor's** Students: FLENT, IFP, and *some* electives are not required.

Important Academic Policies

Please visit www.business.fau.edu/academicpolicies. It is especially important for prospective business majors to be aware of:

- **Limitation on Repeated Courses**
(max two attempts per course)
- **Limitation on Number of Withdrawals**
- **Deadlines to Declare a Major**

General Degree Requirements for All FAU Programs

Requirement	Description
Free electives to reach minimum 120 credits	Verify with your advisor how many free electives (if any) you need to graduate

Requirement
Students must complete through the 2 nd semester of college level foreign language coursework or test out of language proficiency. More information is available in the university catalog or from academic advising.

About International Business

The International Business major empowers students to contribute and engage in organizations and communities in a global business environment. Students develop an understanding of cross-border relationships inherent in the multinational enterprise (MNE), as well as the institutional, financial, sociocultural, and sociopolitical contexts surrounding the MNE. Career opportunities include foreign exchange risk management, developing export markets, global staffing, and more.
