Required Courses: 9 credits (Minimum Grade “C”)

Requirement	Prefix & Number	Pre-requisites (Minimum Grade of “C”)
Choose THREE upper division accounting or tax courses.	ACG or TAX; 3000 to 4999	Declared in a business major; 60 credits; ACG2021, ACG2071, and minimum score 21 on the ACCE. Some courses have additional pre-requisites; check FAU catalog.

Additional Requirements

This minor is designed for non-Accounting business majors requiring the “business core” courses. Because part of the requirements include successful completion of the business core courses, the minor is usually not practical for General Economics, Health Administration, or non-business majors.

A maximum of 3 credits used for the minor may count toward other business major requirements. A minimum of 6 credits must be exclusive to the minor. A minimum of 6 credits for the minor must be taken at FAU.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted.**

The FAU Catalog is the official source for information about these requirements.
