

Bachelor of General Studies (BGS) Business Disciplines

The Bachelors of General Studies (B.G.S.) degree allows students to design a plan of study to meet their personal interests and career goals.

Choose one discipline below and complete a minimum of five courses.

Courses can be passed with minimum grade of D-; however, the GPA for the five courses must be a minimum of 2.0. A minimum grade of “C” is required for all pre-requisites. Other requirements apply to earn the BGS degree; speak with your advisor for additional information.
