

## Business Law Minor (BLAW)

The Business Law minor provides students with practical legal knowledge of substantive business law topics and current legal issues. Students learn the skill sets necessary to identify and manage legal issues encountered within personal and business contexts, including litigation, contract law, employment and human resources, real and personal property law, as well as applied critical thinking. The result is a student prepared for career opportunities in management, technology and politics. The minor is also excellent preparation for advanced degrees and for law school.

### Additional Requirements

The minor is open to all degree-seeking students.

A maximum of 3 credits used for the minor may count toward other business major requirements. A minimum of 6 credits must be exclusive to the minor. A minimum of 9 credits for the minor must be taken at FAU.

### Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

### Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted.**

The FAU Catalog is the official source for information about these requirements.
