

Business Analytics Minor or Certificate (BUAN)

The Business Analytics Minor or Certificate enhances the qualification of students pursuing careers in information technology areas related to the collection, integration, analysis, and presentation of business data.

Required Courses: 12 credits (Minimum Grade “C”)

Course Title	Prefix & Number	Pre-requisites* (Minimum Grade of “C”)
Choose FOUR minor electives: Intro. to Business Analytics and Big Data Data Mining and Predictive Analytics Database Management Systems Advanced Business Analytics Social Media and Web Analytics A.I. and Digital Transformation for Business Data Management and Analysis with Excel	Choose FOUR : ISM3116 ISM4117 ISM4212 ISM4403 ISM4420 ISM4421 QMB3302	ISM3011 60 credits ISM3011 or ACG4401 60 credits; ISM3116

Pre-requisites: 6 credits (Minimum Grade “C”)

It is possible to complete the minor without taking the below pre-requisites if a student chooses the four options that have no pre-requisite. If a business major wishes to choose a minor elective that does have a pre-requisite, they would have to take the pre-requisite first. For non-business majors, a waiver of pre-requisites may be considered on a case-by-case basis via a College of Business Form 1 petition.

Course Title	Prefix & Number	Pre-requisites* (Minimum Grade of “C”)
Information System Fundamentals	ISM2000	
Management Information Systems	ISM3011	60 credits; ISM2000

*Some courses may require students to be declared in a business major or to receive authorization from an advisor if not a business major.

Additional Requirements

The **minor is open to all degree-seeking students** and allowed upon successful completion of the course work above and the simultaneous successful completion of a bachelor’s degree. A maximum of 3 credits used for the minor may count toward other major requirements. A minimum of two courses (6 credits) must be exclusive to the minor. A minimum of 9 credits for the minor must be taken at FAU.

The **certificate is open to all students**. College of Business certificates require 100% residency: all courses must be taken at FAU. For degree seeking students, a certificate application must be completed and processed before graduation. If all certificate courses were completed with, or before, your degree then a certificate cannot be processed after your degree is awarded.

Students cannot obtain both the certificate and the minor.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted**.

The FAU Catalog is the official source for information about these requirements.
