

Club Management Certificate (CLUB)

The undergraduate certificate in Club Management provides a focused curriculum on those managerial competencies deemed important to private club managers of the 21st Century. These managerial competencies include: golf, spa, tennis, aquatics, food and beverage, marketing, human resources and leadership. The private country club industry is one of the highest-paying hospitality niche professions in Florida offering great employment opportunities. The sheer number of private clubs (over 125 clubs in Palm Beach, Broward, and Miami-Dade) make the region very strong in club management. The certificate is particularly valuable for FAU degree-seeking students outside the College of Business and to community members, hospitality industry professionals and seasonal residents. For further information, please reach out to the Hospitality and Tourism Management Program Director, Dr. Peter Ricci at peter.ricci@fau.edu or 561-297-3666.

Additional Requirements

The **certificate is open to all students**. College of Business certificates require 100% residency: all courses must be taken at FAU. For degree seeking students, a certificate application must be completed and processed before graduation. If all certificate courses were completed with, or before, your degree then a certificate cannot be processed after your degree is awarded. Non-degree-seeking students need program director approval prior to enrollment in all courses.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a "course attempt" as any time a student is enrolled in a course (at any institution) and earns either a grade or a "W". FAU COB students may not attempt any course more than twice; **third attempts are not permitted**.

The FAU Catalog is the official source for information about these requirements.
