Additional Requirements

The **minor is open to all business core majors except for Management**. Non-business core majors (including Health Administration, General Economics, and BGS students) should pursue the Entrepreneurial Management Minor (ENTM). Management majors cannot pursue either ENT or ENTM.

A maximum of 3 credits used for the minor may count toward other business major requirements. A minimum of 6 credits must be exclusive to the minor. A minimum of 6 credits for the minor must be taken at FAU.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a "course attempt" as any time a student is enrolled in a course (at any institution) and earns either a grade or a "W". FAU COB students may not attempt any course more than twice; **third attempts are not permitted**.

The FAU Catalog is the official source for information about these requirements.
