

Finance Program (BBA or BS)

The following information is a general overview of the program. Academic advising is recommended before registration each term. The BBA degree also has a **fully online option**. The BS degree requires an additional six hours of advanced math.

Important Academic Policies

Please visit www.business.fau.edu/academicpolicies. It is especially important for prospective business majors to be aware of:

- **Limitation on Repeated Courses**
(max two attempts per course)
- **Limitation on Number of Withdrawals**
- **Two Semesters to Declare (for undeclared juniors)**

General Degree Requirements for All FAU Programs

Requirement	Description
Free electives to reach minimum 120 credits	Verify with your advisor how many free electives (if any) you need to graduate

About Finance

Finance studies and addresses the ways monetary resources are raised, allocated, and used overtime, considering the risks entailed. Financial dealers and brokers conduct financial market transactions on behalf of clients and offer advice on financial matters. Finance is the most encompassing of all business enterprises; finance graduates must know about both business and the economy.
