

Finance Program (BBA or BS)

The following information is a general overview of the program for students in the **Spring 23 to Spring 24** catalog. Speak with your advisor if you are unsure of your catalog. Reviewing this sheet is NOT a replacement for advising meetings which are recommended twice per year; **students are NOT encouraged to self-advise.**

Requirements and course offerings may change for students not yet admitted or declared. The BBA degree also has a **fully online option**. The BS degree requires an additional six hours of advanced math. Note for **Second Bachelor's** Students: FLENT, Gen Ed, and *some* electives are not required.

Important Academic Policies

Please visit www.business.fau.edu/academicpolicies. It is especially important for prospective business majors to be aware of:

- **Limitation on Repeated Courses**
(max two attempts per course)
- **Limitation on Number of Withdrawals**
- **Deadlines to Declare a Major**

*Students who choose FIN4604 can count this course in the major electives and in the international perspective in the business core.

Upper Division Business Elective (UDBE): Confirm with advisor whether this is required for you

Requirement	Suggested Option: Internship
All business core majors must complete 51 credits (17 courses) of upper division business coursework. FIN majors meet this requirement with their 11 core courses and 6 major courses. *FIN4604 will satisfy one of the two FIN major electives as well as the international perspective requirement in the business core; students who choose this option will need an upper division business elective (UDBE). Choose any ONE 3000 or 4000 level business course not already taken in the core or major.	Students interested in an internship as their Business Elective may schedule an appointment with the College of Business Career Development and Internship Coordinator.

About Finance

Finance studies and addresses the ways monetary resources are raised, allocated, and used overtime, considering the risks entailed. Financial dealers and brokers conduct financial market transactions on behalf of clients and offer advice on financial matters. Financial analysts may work for banks, insurance companies, mutual funds, or securities firms.
