Additional Requirements

The **certificate is open to all students**. College of Business certificates require 100% residency: all courses must be taken at FAU. For degree seeking students, a certificate application must be completed and processed before graduation. If all certificate courses were completed with, or before, your degree then a certificate cannot be processed after your degree is awarded. Non-degree-seeking students need program director approval prior to enrollment in all courses.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted**.

The FAU Catalog is the official source for information about these requirements.
