

Hospitality and Tourism Management Program (HTMG or OHTM)

The following information is a general overview of the program. Academic advising is recommended before registration each term.

General Degree Requirements

A minimum of 120 credit hours are required for the degree. See university catalog for official list of degree requirements. The BBA degree is available in person or fully online. A BS degree is also available with six additional credits of advanced math.

Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted**. Transfer students who have not successfully completed a pre-business course within three attempts are **not eligible to declare a business major at FAU. The College of Business will not permit fourth attempts for transfer students**. Transfer students who have already attempted a pre-business course twice at a previous institution should speak with an advisor for more information.

Intellectual Foundation Program (IFP) Courses

The pre-business foundation courses satisfy much of the IFP, but the following additional coursework is required. Students with an AA (Associate of Arts) degree from a regionally accredited Florida Public Institution are deemed to have met the IFP. To view the entire IFP course list, use this case sensitive URL: http://www.fau.edu/ugstudies/IFP_curriculum_sheets.php.

To declare Online Hospitality (OHTM), students must *also* have completed the IFP.
