Additional Requirements

The **certificate is open to all students**. College of Business certificates require 100% residency: all courses must be taken at FAU. All students must complete an application for certificate at the end of their second-to-last term at FAU in order for the certificate to be awarded. **Non-degree-seeking students** can [download the application for certificate](#) and e-mail the completed form to COBAdvising@fau.edu. **Degree-seeking students** must complete their application for certificate with an academic advisor during their application for degree preapproval meeting. For degree-seeking students, if all certificate courses were completed with or before the degree, then a certificate cannot be processed once the degree is awarded.

Timely Graduation

Minors and certificates should be considered an optional direction for elective credits. Students may not add a minor or certificate without permission from a COB advisor (and main college advisor if different). Students are generally not permitted to add a minor/cert after earning 90 credit hours or if completing it will result in an Excess Hour Surcharge.

Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted**.

The FAU Catalog is the official source for information about these requirements.
