

## International Business Program (INBU)

The following information is a general overview of the program. Academic advising is recommended before registration each term.

### General Degree Requirements

A minimum of 120 credit hours are required for the degree. See university catalog for official list of degree requirements. This program is available as a BBA degree or, with six additional credits of advanced math, a BS degree.

### Maximum Course Attempts

FAU counts a “course attempt” as any time a student is enrolled in a course (at any institution) and earns either a grade or a “W”. FAU COB students may not attempt any course more than twice; **third attempts are not permitted**. Transfer students who have not successfully completed a pre-business course within three attempts are **not eligible to declare a business major at FAU. The College of Business will not permit fourth attempts for transfer students**. Transfer students who have already attempted a pre-business course twice at a previous institution should speak with an advisor for more information.

### Intellectual Foundation Program (IFP) Courses

The pre-business foundation courses satisfy much of the IFP, but the following additional coursework is required. Students with an AA (Associate of Arts) degree from a regionally accredited Florida Public Institution are deemed to have met the IFP. To view the entire IFP course list, use this case sensitive URL: [http://www.fau.edu/ugstudies/IFP\\_curriculum\\_sheets.php](http://www.fau.edu/ugstudies/IFP_curriculum_sheets.php).

INBU requires 16 courses in the core and the major; the 17 <sup>th</sup> course is an elective chosen by the student. Choose <b>ONE</b> 3000 or 4000 level business course not already taken in the core or major.	Students interested in an internship as their Business Elective may schedule an appointment with the College of Business Career Development and Internship Coordinator.

## Foreign Language Graduation Requirement (FLEX)

Requirement
Students must complete through the 2 <sup>nd</sup> semester of college level foreign language coursework or test out of language proficiency. More information is available in the university catalog or from academic advising.

## About International Business

The International Business major arms students with the tools to tackle challenges in business while empowering them to contribute and engage in organizations and communities in a global business environment. International Business allows marketing, manufacturing and finance managers to compete in both domestic and international environments.
